Dear Lee

**Re: Heras Fencing – Cowdray Bridge, Colchester**

I trust you are well. I am writing regarding the heras fencing on the bridge next to the Ipswich Road roundabout, Colchester. This fencing has been in place for many years and continues to look unsightly for residents.

I have previously raised this issue with Essex Highways and Eurovia both in writing and during site visits when they were undertaking the roundabout works and was assured that a permanent solution would be installed as part of the A133 Ipswich Road / Harwich Road works. The works are now complete but the heras fencing remains. This is unacceptable and needs resolving ASAP.

I would therefore be most grateful if you will provide me with an update regarding replacement fencing to resolve this issue.

Thank you for your assistance on this matter and I look forward to hearing from you in due course.

Please quote reference ZA32395 in your response.

Best wishes,
